How far can \$20,000 in Toshiba purchases take you?

Venice, the Queen of the Adriatic, has romanced millions of people over the centuries. She entices the curious traveller with gondolas, canals and lagoons. Quaint shops in narrow lanes. Take a stroll down the Street of the Spice Dealer or among the artists in St. Mark's Square, Marvel at St. Mark's Cathedral, an imposing study in Byzantine architecture. Visit illustrious art galleries, museums and glassworks. Or ferry over to Lido's beaches, restaurants and casinos. At night, sweet operatic airs drift over the Grand Canal. This is the heart of Venice where the sumptuous 15th century Hotel Gritti Palace indulges you.

When you think of Florence (Firenze), glorious Gothic and Renaissance architecture comes to mind. The city's palace and church spires and beautiful courtyards are sure to inspire. You can visit Michelangelo's majestic David and the renowned Uffizi Gallery. Or delight in fine al fresco dining and great shopping. The famous Ponte Vecchio is lined with jewellers' shops. As for the climate, how does warm and breezy sound?

Let Venice and Florence charm you with its ambiance, culture and old world hospitality.

Live in palatial splendour for a week!

Ingram Micro and Toshiba invite you to stay at the world's most luxurious hotels: the Hotel Gritti Palace on the Grand Canal, and the Grand Hotel, a former palace and landmark of history and tradition in Florence's most elegant district. You will dine like a king. Be pampered like a queen amid opulent surroundings of marble, silk and brocade. Revel in enchanting views, distinctive amenities and gracious five-star service.

If it seems like Italy is oceans away, it doesn't have to be. Getting there from here is within your reach with Ingram Micro and Toshiba.

Ciaò! Michelangelo, Machiavelli, the Medicis, Rossini, Raphael, Ingram Micro and Toshiba invite you to experience the journey of a lifetime.

Venice and Florence are celebrated for their great flowering of Renaissance art in architecture, painting, sculpture and music. So your remarkable journey will lead you to unsurpassed collections of works by the great Italian, Flemish and French masters. And you can delve into the extraordinary lives and times of Michelangelo, the Medici family, political philosopher Machiavelli, and operatic composer Rossini.

There is so much to see and do in these two captivating cities. Picture yourself daydreaming in a gondola on sun-dappled waters. Shopping on the Rialto bridge. Seeing Raphael's paintings for the first time. Enjoying romantic evenings in St. Mark's square. Walking back to your palace hotel under the stars.

All of this can become reality. Get your order in today and set yourself up for winning a trip to two cities that truly span generations.

Fill out the enclosed Travel Questionnaire or contact your account representative for a copy. Your responses will help us better accommodate your vacation wishes.

A little bit of knowledge goes a long way.

Should you win the trip or receive any other reward, there are a few things you'll need to know.

- Toshiba products must be ordered and shipped through Ingram Micro Inc. (Canada) between June 5 and August 11, 1995
- The "Experience the Renaissance Vacation of a Lifetime" promotion cannot be combined with any other offer
- Trip/rewards have no cash surrender value
- Trips are transferrable only to another employee of the winning company
- Trips to Venice and Florence must be taken as scheduled.

The complete Official Rules & Regulations for the "Experience the Renaissance Vacation of a Lifetime" contest can be obtained by calling the Ingram Micro FactsLine at (416) 740-3592 and requesting document #2687.
